

INNOVATION FACTORY

PAY AS YOU GO PRICES

CSIC is an industry-led, demand-driven Innovation Centre connecting Businesses; the Public Sector and Academia to deliver transformational change in construction.

Our new 35,000 sq ft. Innovation Factory near Glasgow helps construction related businesses:

Develop | We provide space, equipment and support for businesses and academia to develop new products, processes, business models and services.

Demonstrate | We provide space and equipment for businesses and academia to trial new technologies and showcase innovations.

Disseminate | We provide conference, meeting and training space for businesses and academia to share knowledge, learn and collaborate.

EQUIPMENT

A range of product development, manufacturing, robotics and visualisation equipment are available. These can be hired on a Pay-As-You-Go basis or as part of an annual membership package.
